A great opportunity for young people to immerse themselves in dance, to develop their skills and to have fun. All you need to take part is plenty of enthusiasm!

After our very successful first summer school last year SkyeDance invites you to take part in our second week long summer school for young people, boys & girls, aged 9 – 18. It is the first established summer school exclusively for dance to take place in Skye and we

hope that you will be able to join us!

The young dancers will take part in daily dance workshops led by professional dance tutors. There will be a great mix of dance styles to be enjoyed including street & breaking, Contemporary, musical theatre, creative, Scottish traditional dance, Jazz and free running!

No experience is required to take part, just lots of enthusiasm. The young people will be split into groups according to age and ability. It will run from Monday to Friday from 10am to 4pm and will culminate with a performance showcase, of the work created during the week. This is a great opportunity to dance, create, perform and be inspired!

The Summer School costs £70 per person but this year we are introducing a reduced rate for each additional participant from the same household. The reduced cost will be £50 for additional participants. This will

hopefully mean it will be much more possible to get more of the family involved. Places are confirmed on receipt of your booking form and payment in full. Please return booking form and payment by Wednesday 20<sup>th</sup> July. Places will be filled on a first come first served basis.
